Payment Policy for Surgical Admissions

Our payment policy outlines the financial responsibilities and options for patients undergoing surgical procedures are as;

- ✚ All staff are instructed to prioritize only emergency cases for admission. For **non-emergency** cases, patients must settle their payment in advance with the concerned person before admission procedures.
- ✚ **Estimated Costs:** Patients receive an estimate of surgical costs, including hospital fees, surgeon fees, and anesthesia fees. Medicine Fee etc.
- ✚ **Payment Options:** Various payment methods are accepted (e.g., cash, Online Payment, Easy Paisa or Bank Account Transfer).
- ✚ **Deposit/Advance Payment:** A deposit or advance payment must be required to secure surgical scheduling.
- ✚ **Payment Plans:** Financial assistance or payment plans may be available for eligible patients only on special request to Administration Office.

Payment Responsibilities

1. Patients are responsible for payment of deductibles, co-pays, and non-covered services.
2. Payment is due at the time of admission or as agreed upon in the payment plan and Consent form signing.
