

Rahim Medical Center & General Hospital

Zakat Welfare Committee

Introduction

Rahim Medical Center & General Hospital is committed to serving humanity and supporting deserving members of society. Under the **Zakat Fund**, the hospital provides special medical assistance for financially struggling patients.

Patients whose children are "**orphans**" and who cannot afford treatment may receive **free medical care**, including **OPD consultation** and **surgical operations**, through the hospital's Zakat program.

Eligible patients are requested to contact the hospital administration with the required documents for registration and verification.
